

# NSRA

Norwegian Street Rod Association

## **Norwegian Street Rod Association, NSRA**

### **Statistics:**

Founded in 1993

Chair President Heiki Aamodt, Vice President Morten Strøm

ESRA member: Roger Dalby

### **Meeting / Activities:**

Nationals: Every Year a Norwegian Club will hold a National Meet and NSRA are supporting the club. The two last years it was cancelled due to Covid -19.

General Assembly: During the Norway Nats meeting in the summer.

NSRA is member of the umbrella organization E.S.R.A.( European Street Rod Assosiation) and AMCAR(American car club).

### **Technical Approval, Legislation, How modified car is approved, Inspection, Taxation, Registration fee, Road tax, Insurance.**

Registering rods / ratrod/ amateur build is possible, but you have to register all what has been modified. Everything has to be written in the cars paper. The taxes for rods/ old cars is 486 plus the assurance fee. AMCAR provide cheaper assurance for members. We can have our own licensplate number, if it is not used. We can drive without fenders for cars before 1949.
